BEAR VALLEY COMMUNITY COUNCIL

Fire Station 10, 14861 Mountain Air Drive

December 2005

Happy Holidays

On behalf of the Bear Valley Community Council Board, we would all like to thank you for another successful year!

2005 has brought a lot of changes to our area and some final resolutions to some very old issues.

2006 will prove to be another big year with new development both in Bear Valley and our very near community neighbors. We look forward to your continued participation in maintaining our quality of living here in Bear Valley.

Many of us will be spending the holidays with friends and family both here at home or abroad. Please take a moment to make your home and surroundings are safe, winter prepared and fire hazard free.

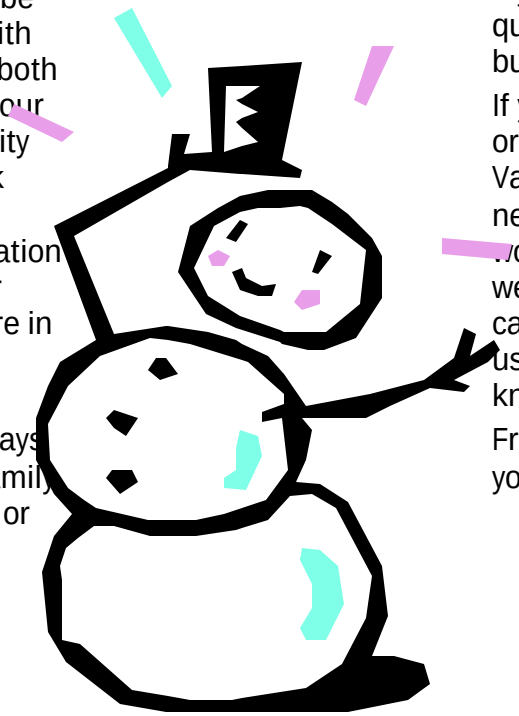
The great guys at our Fire Station #10 are on hand if you need to stop by to just say hello, bring cookies (I hear Chocolate Chip are their favorite) or for safety questions about your home.

This summer we had the great folks from Neighborhood Watch who presented us with simple home safety plans. Don't hesitate to give Kris or Wade a call if you have any questions on how to button up your home.

If you have any ideas or concerns about Bear Valley and our neighbors that you would like to share as we plan our 2006 calendar, please drop us and email and let us know.

From our families to yours ~

Merry Christmas & Happy New Year



Be Prepared for this Winter!

Cheri Howland ~ Chair (chair@bvcc.info)
Jim Steele ~ Vice-Chair (vicechair@bvcc.info)
Scott Pexton ~ Secretary
