

Spenard Beach Park Improvements – Site Plan & Amenity Placement

Our Vision for the Park

Phase I: 2019 Challenge Grant

A	(2) 6FT Wood and Steel Park Bench
B	(1) Solid Steel Round Picnic Table
C	(1) ADA (Americans with Disabilities) Solid Steel Round Picnic Table
D	New dog waste station
E	New bike rack (shaped like float plane) – bike rack has already been donated by Cook Inlet Housing
F	

Long Term Goals:

1	Interpretative signs with park history, 3 benches facing lake.
2	Play installation, shaped like or made of a small plane fuselage. Backless bench for observing.
3	Picnic area with multiple tables. One table ADA accessible.
4	Relocate Muni park sign from middle of park.
5	Replace swing set and install backless benches for observing.
6	Remove or relocate existing kiosk and dog waste station from middle of park.
