

## Candidates for Rabbit Creek Community Council Board – 2023

### 2-year terms:

**Judy Michael** - The Rabbit Creek hillside community has a rich history that encompasses homesteading, hard work, the realization of dreams, and growth of families. We enjoy a unique blend of city centered amenities that are complemented by the ability to live in and enjoy the unparalleled beauty of our natural surroundings. I've been privileged to live on the family homestead in Rabbit Creek for 50 years. Working with Community Council is an opportunity for me to continue to serve our community. It would be a privilege to be a part of the continuing efforts to grow into and maintain the lifestyle we all want to achieve.

**John Riley** – Retired PA and UAA Health Sciences Faculty I'm interested in Rabbit Creek Land Use issues and preserving recreational access to Chugach State Park. I've lived in the Paradise Valley area since 1985.

**Amanda Doughty** – A member of our Social Media committee; posts regularly about RCCC on Nextdoor.

**David Sterling** – Has been cheerfully taking minutes and recording attendance every month!

### 1-yr terms:

**Mike Kenny** - It is the quality of life in our Turnagain Arm community of Rabbit Creek and its preservation to the highest degree possible that makes our Community Council special.

**Ann Rappoport** – I feel incredibly fortunate to have lived in the Rabbit Creek area the past 37 years and to have raised my two kids here with my husband: they went to good schools, we enjoy a rich quality of life where we could enjoy walking our dogs and safely catching up with neighbors in beautiful outdoor areas during a pandemic. As Co-chair of the Community Council the past few years I have appreciated the opportunity to work with others in our community and on our Assembly to ensure that subdivisions, roads, and trails in our area are developed with attention to our concerns and maintenance or improvements to our quality of life.
