# Jane's Walk Anchorage

"You've got to get out and walk..."

*Jane Jacobs*

Thousands of people, hundreds of neighborhoods. Inspired by urban activist Jane Jacobs and her grassroots approach to city-building, Jane's Walk helps put people in touch with their environment and with each other, bridging social and geographic gaps and creating a space for cities to discover themselves. Stroll, bike, wheelchair, juggle, or skip and come explore the Midtown-Downtown connection through Fairview. Community members will act as guides to discuss various points of interest. We will end our walk in Town Square, across from City Hall.
