

Please Join Us for the Merrill Field Airport Master Plan and Noise Study Fairview Noise Workshop

HDR Alaska will be studying aircraft noise as part of the Merrill Field Airport Master Plan and Noise Study Project. This workshop is an opportunity for the public to provide input on potential noise monitoring locations, noise levels, and to meet Harris Miller Miller & Hanson Inc., the sub consultant that will begin the noise monitoring program in June.

Please Join Us!

Date: Wednesday, June 6th

Time: 7 to 8:30 p.m.

Location: Fairview Community Recreation Center
1121 E. 10th Avenue, Anchorage, AK 99501

Questions? Contact RaeShaun Schmidt at 644-2032
or email at raeshaun.schmidt@hdrinc.com

This noise workshop will provide an opportunity to learn about how noise is evaluated at the airport to include an explanation of the noise modeling process, and an opportunity to ask questions about airport noise.
