

Turnagain Community Council Safe Routes to Schools Committee Neighborhood Walk-Through — Saturday, September 14, 2013

Traffic Engineer Stephanie Mormilo joined Turnagain neighbors for a walk through areas of Huntington Park, where West/Romig students typically travel to and from school. Potential pedestrian/bicycle safety improvement projects and locations were discussed. The committee will meet again Oct. 2nd to continue work on recommendations to put forward to TCC.

Many thanks to Stephanie for providing valuable information and suggestions!

Clockwise from upper left: Hillcrest Dr. along West High School; Pedestrian crossing at Hillcrest Dr. to West High; Forest Park Dr., Esquire Dr., Pedestrian access from Belmont Dr. to school campus,
