On March 1 at the Egan Center the last public hearing on the Coastal
Trail was held.
The decision on this trail - after 10 years of hard work for many
people - will be given before March 27.

On March 2, Old Seward/Oceanview, Bayshore/Klatt and Sand Lake hosted a mayoral forum together. It was held in the beautiful Bayshore Clubhouse. We were able to first speak with Senator Ben Stevens who answered many questions from the people pertaining to the gas line and various house bills. Candidates were :

Mr.Thomas Higgins,
Mr. Nicholas Moe,
Mr. Jack Frost and
Mayor Begich.

A good crowd gathered and listened to the candidates' views on the taxes and the Coastal Trail. It was opened up to questions. Many were asked of these candidates. The biggest concern was the tax situation here in Anchorage. We kept them with our questions until close to 9:40pm. Thank you to all candidates. Thank you to all of you who showed up and thank you to the Presidents of Ocean View -Hank Hosford and President of Bayshore- Bob Hoffman. A great meeting! Thank you for letting me moderate.

I want to thank Julie Hunter, Gail Heineman and Dee Essert, who together helped take minutes of last meeting. A huge job! A long meeting with a lot of information!
We hope to be up and streaming this meeting! This means live on our web page!
Thank you Pastor Polk!!!

From all of us in Sand Lake a big CONGRATULATIONS to our Representative Lesil McGuire!
Lesil and husband Tom are the proud parents of their first son.! No name as of this moment! :) Welcome to the wonderful world of parenting!!! House Bills will have a new meaning now!
We will be hopeful to see the new baby in the near future.
