Hillside Community Councils Merge

The Mid-Hillside Community Council and the Hillside East community council have now merged and are now "Hillside" Community Council. Congratulations to Lance Powell, whose efforts made the merger possible and who now leads the new council.

Another Merger Being Discussed

Midtown and North Star Community Councils are in merger discussions as well. North Star Community Council is small in size but is quite active, Midtown is made up of mostly businesses and has difficulty drawing many residents or business owners to it's meetings.

Mark Out of State for Three Days

I will be out of office Thursday October 20th through Monday October 24th. I will be back to work on Tuesday October 25th (after celebrating the 60th birthday of the woman in my life with her at Ojo Caliente in New Mexico.)

Susan and Betty will continue sending out newsletters in my absence. I will be available by text and phone.
