

Federation of Community Councils Manager's Report

December 21, 2016

Council Maps

The Municipal graphics division has just completed the printing of large maps of each council area. We have them at the council center and you need to choose whether you want us to:

1. Mount them on white board
2. Mount them on white board and then laminate the surface
3. Just keep them unmounted and kept in a tube for safety

They will be available for pick up at the December 21st FCC delegates meeting, or after my return in early January.

Holiday Schedule

I will soon be leaving on unpaid leave over the holiday season. I will be out of the office from the morning of Friday December 16th through Tuesday January 3rd. I will be back at work on Wednesday January 4th.

During this period, Susan and Betty will be coming into the office on a regular basis in order to send out newsletters and announcements and update the website. Please leave a message for them on the Councils Center phone or call or text me on my CL 240-3868.
