Dear Andrew Baker,

Thank you for the opportunity to review your Memorandum of Understanding for Baker Industries, LLC dba Satori to open a Marijuana Retail Store in the downtown Anchorage community. As an unbiased entity and representative of the downtown community we cannot agree or disagree to your Memorandum of Understanding. We acknowledge that you have gone through the proper procedure of notifying the Downtown Community Council with a Memorandum of Understanding and appreciate the actions you take to create a positive relationship with the downtown community.

The Downtown Community Council wants to assure you that your business is important and we will continue to welcome your involvement in the downtown community. Working together, we will make the downtown community a positive and successful environment for all.

Sincerely,

Michelle Gallagher  
Vice President, Downtown Community Council  
Co-Chair Marijuana & Alcohol Committee
