AMCO has received a complete renewal application for the above listed license (see attached application documents) within your jurisdiction. This is the notice required under 3 AAC 306.035(c)(3) and (4).

To object to the approval of this application pursuant to 3 AAC 306.065, you must furnish the director **and** the applicant with a clear and concise written statement of reasons for the objection within 30 days of the date of this notice. We recommend that you contact the local government with jurisdiction over the proposed premises to share objections you may have about the application.

At the May 15, 2017, Marijuana Control Board meeting, the board delegated to me the authority to approve renewal applications with no protests, objections, or notices of violation. However, if a timely protest or objection is filed for this application, or if any notices of violation have been issued for this license, the board will consider the application independently. In those situations, a temporary license will be issued pending board consideration.

If you have any questions, please email marijuana.licensing@alaska.gov.

Sincerely,

Erika McConnell
Director
