Mark Will Be Out of the Office April 5th – April 13th

Mark will be out of state from midday Thursday April 5th through Friday April 13th in order to assist my mother during her surgery. Susan is planning to be at the office those days in order to send out council announcements.

Council CIP Rating Process

Jared James of the Mayor's Office will be sharing the Capital Improvement Project (CIP) rating process with us at the March 2018 FCC meeting. We will pass on the information to all council officers.

Thanks!
