The Community Council Center wants you to know...

We're ready to hear what you think of our proposed alternatives! We developed the alternatives based on your feedback from the first survey, public outreach, and our charrette. Here are the ways you can give us your feedback and help spread the word.

[Take Our New Interactive Alternatives Survey](#)

This [new survey](#) requests your input on the proposed alternatives to study. We need your input to determine which alternative forms the basis for our plan.

Review Technical Materials

If you missed our November charrette workshop, you can [read our report online](#).

Get Social!

Share our survey on your favorite social media account and share the opportunity to help shape our transportation future.

For more information about the MTP 2040, visit www.mtp2040.com

If you can't attend the workshops, please sign up to receive our survey to provide feedback on draft alternatives, which are anticipated to be launched in late November. For more information, contact amatsinfo@muni.org or visit: www.mtp2040.com.

AMATS does not discriminate on the basis of age, race, sex, color, national origin, religion or disability in access to, or operation of its programs, services, or activities, or in its hiring or employment practices. ADA and Title VI inquiries should be forwarded to Craig Lyon, lyonch@muni.org or 907.343.7996. AMATS Policy Committee and TAC meetings are audio recorded. The Municipality of Anchorage's Transportation Improvement Program (TIP) process is used to satisfy the public participation process of the Program of Projects (POP) that is required in U.S.C. Section 5307.
