President's Message—

The Scenic Foothills Community Council is dedicated to providing a forum in which the issues of interest that we face on a national, state, municipal or neighborhood level can be presented in a positive and civil manner. In this way, we can develop awareness and perspective that will help us make informed decisions that affect the health, safety and quality of our community.

Over the next couple of months, Scenic Foothills Community Council will be working to identify Scenic Foothills neighborhood needs – roads, drainage, safety, parks, etc. – for state funding requests in future years. If you know of issues that should be addressed, please contact Roger Shaw (or any board member).

Our part of town—from the Tudor-Muldoon curve to the swerve onto the Glenn Highway—is named after Anchorage pioneer homesteader Arnold L. Muldoon. He put up a log cabin among the spruce trees near Northern Lights Boulevard in the winter of 1940. He packed the materials out on his back, along a muddy trail that became Muldoon Road. Arnold L. Muldoon Park, named in his honor, preserves a portion of his original homestead. You may have noticed some of “Arnie’s Army” of volunteers planting and tending flowers and working to Spruce Up Muldoon and clean up around Scenic Foothills before winter arrived. Volunteers are always welcome to join in. There are volunteer opportunities in Scenic Foothills all year!
