

2018-03 NSCC DRAFT RESOLUTION 2018

A RESOLUTION OF NORTH STAR COMMUNITY COUNCIL RECOMMENDING THAT MAYOR BERKOWITZ AND THE ANCHORAGE ASSEMBLY INCLUDE THE CHESTER CREEK FLOOD PREVENTION PROJECT AS PART OF THE ROADS AND DRAINAGE BOND ON THE APRIL 2019 MUNICIPAL ELECTION.

WHEREAS, Chester Creek is adjacent to the North Star Community Council; and

WHEREAS, Chester Creek has many times in the past overflowed its banks and damaged property of residents of the North Star Community Council; and

WHEREAS, the North Star Community Council has ranked the Chester Creek Flood Prevention Project as its highest capital improvement project for over ten years; and

WHEREAS, members of the North Star Community Council have participated in Municipality-sponsored studies to determine the causes of the flooding and to

design the most appropriate capital project to lessen the chance of future flooding; and

WHEREAS, the final design of the project has been completed and the project will soon be ready to bid and construct in the summer of 2019 **IF** it is funded in the Spring of 2019;

NOW THEREFORE BE IT RESOLVED that the North Star Community Council fully supports the Chester Creek Flood Prevention Project and asks Mayor Berkowitz and the Anchorage Assembly to place it on the Road and Drainage Bond on the April 2019 Municipal Election and to then construct it in the 2019 Construction season.
