### **Request to the MOA Planning Department regarding "Authorized Community Council Representation"**

Dear MOA Planning Director, Managers, & Officers:

On August 09, 2018 at the Rabbit Creek Community Council General Membership Meeting, a majority of the voting members in attendance agreed (**15 Yeas / 0 Nays / 2 Abstentions**) to submit the following comments:

---

#### **Background Information**

On July 26, 2018 (Thu) the Rabbit Creek Community Council (RCCC) Chair & Vice-Chair were contacted by a resident of our Council area inquiring as to whether a Code Enforcement Complaint had been filed by the Council. The Chair responded in the negative, that no one had been authorized to file a complaint on behalf of the Council. Subsequently, the RCCC Chair (Frank Pugh) contacted the Rabbit Creek Code Enforcement Officer (Rick Novy) on 31-Jul-2018 (Tue) to inquire as to whether or not the complaint had been made on behalf of the RCCC, however the facts were unclear.

#### **Formal Request by the Rabbit Creek Community Council**

We respectfully request that if a government agency is contacted by anyone claiming to represent the Rabbit Creek Community Council, that the agency will take steps necessary to validate the authenticity of the claim by contacting the Chair or Vice-Chair. Current contact information can be found by selecting the appropriate community council listed on the Federation of Community Councils website:

<http://communitycouncils.org/servlet/content/home.html>

Please contact us with any questions or concerns.

Sincerely,

Frank Pugh, Chair
