Subject: RCCC Comments on the AMATS FFY 2019-2022 TIP

Date: Mon, Sep 10, 2018 11:00 am

Attachments: 2018-08-09, RCCC Correspondence - AMATS FFY 2019-2022 TIP, Final (signed).pdf (529K)

Dear Mr. Lyon:

At the Rabbit Creek Community Council General Membership meeting on 09-Aug-2018, a majority of the voting members in attendance approved (17 Yeas / 0 Nays / 1 Abstention) to submit the attached letter highlighting the projects that are supported.

Please contact us with any questions.

Best regards,

Frank Pugh
RCCC Chair

RCCC Comments on AMATS FFY 2019-2022 TIP

Dear Mr. Lyon:

On August 09, 2018 at the Rabbit Creek Community Council General Membership Meeting, a majority of the voting members in attendance agreed (**17 Yeas / 0 Nays / 1 Abstention**) to submit the following comments:

We appreciate the time and effort required to produce summary draft documents for capital improvements to our transportation system which include some components not directly related to our Council area but affect all Alaskans in some way such as the bus system, railway system, and air quality.

Below are projects supported by members of our Council, we would like them to be considered for implementation:

- **RDY00007** – Rabbit Creek Reconstruction [Seward Highway to Golden View Drive]:
 - Project would reconstruct Rabbit Creek Road from the Seward Highway to Golden View Dr. with a center turn lane and includes non-motorized improvements. We would like the Context Sensitive Design available for comment when it comes out.
- **NMO00006** – Potter Marsh Improvements:
 - This project would make improvements to the Potter Marsh boardwalk and southern parking facility.
- **NMO00007** – Old Seward Pathway [DeArmoun Road to Rabbit Creek Road]:
 - This project would construct a pathway along Old Seward Highway from DeArmoun Road and connect to the termini of the non-motorized improvements(s) done as part of the Rabbit Creek Road [Seward Highway to Golden View Drive] Reconstruction project.
- **NMO00008** – Anchorage Area Trails Rehabilitation:
 - Project will analyze existing pathways for rehabilitation needs community-wide and promote specific projects to rehabilitate those existing pathways. The scope is primarily expected to include pavement replacement with a focus on trails that form the Anchorage Bicycle Plan Core Bicycle Network.

- **Pavement Replacement #3** – Brayton Drive - DeArmoun Road to - O'Malley Road.
 - **Pavement Replacement #8** – Rabbit Creek Rd - Old Seward Hwy to Hillside Drive.
 - **12259** – Recreational Trails for Alaska:
 - This program provides funding for various small recreational trail projects statewide. The program is administered by ADNR.
-

Please let us know if there are any questions or clarifications required.

Sincerely,

Frank Pugh, Chair
RCCC.fpugh@aol.com
