The 2010 membership year for the Fairview Community Council began on January 1st. Any person 18 years of age or older is eligible for membership provided that the person is a homeowner, tenant, resident, property owner, business owner or a designated representative of a corporation or non-profit organization physically located within the boundaries of the Fairview Community Council. A business, corporation, or non-profit organization located within the boundaries of the Fairview Community Council may be represented by one individual only. Said representative must provide the Council a copy of his or her authority in writing before that individual will be recognized as the designated representative. That authority must come from the chief officer of that organization.
