Mr. Lyon,

We appreciate your consideration to include the late comments from the floor. This year with the election of a new RCCC Board, we have instituted a more rigorous governing process which values proper procedure over expediency which often takes more time.

Mr. Pugh,

Thank you for your comments. Although the comment period has officially closed we recognize that the community council meetings may not coincide perfectly with our deadlines. Therefore I'll add your comments on the floor at the meeting so members can be aware of Rabbit Creek Community Council comments.

Thanks,

Craig
