

**NECC**

**Northeast Community Council**

**NECC Resolution 2018-**

---

**Russian Jack Springs Park Single Track Project**

The NECC support this project to be done this summer with the support of Parks and Recs and Parks Foundation for the usage. Friendly Amendment to add that we use that the current map (does not go by the spring) be used or at least make the trail made correctly without alterations that are not major changes.
