

Address Verification Postcard PRESS RELEASE

January 22, 2019

FOR IMMEDIATE RELEASE

The Anchorage Municipal Clerk's Office announces mailing of the Address Verification Postcard to approximately 235,000 qualified registered voters in the municipality. Anchorage voters should receive their postcard delivered by the United States Postal Service this week.

The Postcard requests voters to review their current mailing address information, which is listed on the mailer. Current information helps make sure voters will receive their ballot packages at their correct mailing address.

It is important to have accurate voter registration information on file for the April Regular Municipal Election because ballot packages will not be forwarded by the United States Postal Service.

If voters need to update their information, they may do so at the State of Alaska's Online Voter Registration website: <https://voterregistration.alaska.gov/>

The Anchorage Regular Municipal Election is April 2, 2019 and is a Vote by Mail Election, where ballots are delivered by mail.

Qualified registered voters will be mailed a ballot package 21 days before Election Day. Voters will have the opportunity to study the ballot with trusted resources, mark their choices, sign the voter declaration, and return their ballot.

The Municipal Clerk's Office reminds voters that, "Vote by Mail is as easy as 1-2-3!"

1. Vote your ballot, filling in the ovals completely, place the ballot in the security envelope, then place both into the ballot return envelope.
2. Sign the declaration on the back of the ballot return envelope.
3. Return your ballot with a first class stamp through the United States Postal Service or save postage and drop it at a secure drop box or return it to an accessible vote center.
