ISSUES THAT INVOLVE YOUR NEIGHBORHOOD!!!!

Your friends and neighbors in SouthWest Anchorage need your involvement.

Sand Lake Community Council is the western most community council in the city of Anchorage, encompassing the geographic area between Campbell Lake/Dimond Blvd on the south, International Airport Road on the north, Minnesota Drive on the east, and the ocean on the west. Our purpose is to encourage active participation in neighborhood and community events, activities, schools... All of those things that make a viable city... And to advise the Anchorage Assembly and other groups about our area.

News Alerts are available: There are two separate email lists you can join to get Sand Lake area news. The Federation of Community Councils maintains an email and address list, to send the monthly SLCC agenda and newsletter and occasional news items. You get on this list when you pay your \$1 yearly dues at a meeting. If you are already getting your agenda snail mailed and you would rather have it emailed, contact them at 277-1977. The "news alert" is a separate email list maintained by SLCC volunteers to help you know about important events affecting our neighborhood in a timely manner. To join, send an email to: mail@sandlakecc.org with "add to email list" in the title. We do not share your email address with anyone outside the SLCC board.

Upcoming Agenda:

**Anchorage International Airport...
AWWU Sand Lake Area Water & Sanitary Sewer Study...
Public Safety...

GET INVOLVED...

Q. Why should I get involved with the Sand Lake Community Council?

People join SLCC because they care about their community. Often people attend their first meeting because of something happening in their

neighborhood that they are concerned about, be it a proposed rezone, nuisance behavior by neighbors, or road construction (or lack of it). The meetings are an easy, comfortable place to communicate with community leaders, legislators and neighbors about how to make Sand Lake an even better place to live, work and play. It's an oppor-

tunity to just sit and listen for a couple of hours once a month, learning things you would never know otherwise, and often protecting your investment in your home or business. No commitment is required, and it is free unless you want to become a voting member, which only costs \$1 a year.

The Sand Lake Community Council is a member of the Federation of Community Councils.
