2. Approval of April meeting minutes

Changes - Elvi change to minutes AMATS approved leaving Knik Arm Bridge on short-range plan, not long range plan

3. Call for additions to Agenda - Hanna Davis

4. Announcements, public documents, upcoming public meetings

Emailed CIP list – board met and talked about some CIP projects in past. Robert took list and applied to new list. We opposed UMED northern access and Mallard lane in past.

5. Hannah Davis – Castle Heights garden coordinator. Asking for help to clean up beds, weed and water. City provides flowers. Planting first week of June during the week.

6. Elected Representatives (or their staff) will be acknowledged and given 5-10 minutes each as soon after they arrive if possible

Elvi – Red Roof Inn has not been taken off table for inebriate housing

Assembly hearing on IM program is this coming Tuesday – May 11

Asked to not veto Anchorage projects – 18% of projects, pop is 42% Alaska

Assembly added bus service, and police academy – vetoed by Sullivan – may have votes to override.

Approved milrate ASD = 7.44 General Opp funds 7.74

Dick Traini – thinks they will have votes for override. When no academies during Fink years took many years to bring police force up to par. 25 estimated to retire. State law says must go through training.

IM ordinance will have six month lag time to give time to find jobs and other means of income.
