

**MUNICIPALITY OF ANCHORAGE**  
**ASSEMBLY MEMORANDUM**

NO. AM 553-77

Meeting Date: June 28, 1977

From: Mary Coffey, Municipal Clerk  
Subject: Recognition of the Downtown Anchorage Community Council

Attached is the packet of information regarding Downtown Anchorage Community Council which includes the following:

1. Map outlining the proposed boundaries
2. Downtown Anchorage Community Council By-Laws
3. Membership list, flyer samples and advertising notices
3. Organizational meetings of April 13, 1977 and May 11, 1977; attendance lists, agendas and minutes.

On May 24, 1977 Resolution No. AR 77-38, a resolution recognizing Downtown Anchorage Community Council, was rejected at introduction due to opposing opinion regarding the Council's proposed boundaries. The Assembly recommended that the Community Council hold another public meeting to discuss their boundaries and determine the areas to be included within the Council.

On June 8, 1977 the Downtown Anchorage Community Council held a meeting and voted to alter their original boundaries by excluding the area north of Third Avenue. Copies of the attendance list, agenda and minutes are included in the packet of information

The Downtown Anchorage Community Council has demonstrated determination to seek participation from all segments of the downtown community. I recommend the recognition of Downtown Anchorage Community Council as an authorized Community Council within the Municipality of Anchorage.

Respectfully submitted,

  
Mary Coffey  
Municipal Clerk
