

FAIRVIEW APRIL NEWSLETTER

Spring blew into Fairview with a vengeance in March! Our neighborhood was battered by winds gusting up to 106 mph. In response to the debris left by the windstorm the Fairview Community Council held an emergency Fairview Windstorm Clean Up Day Saturday March 22nd. Several industrious Fairview residents picked up enough windstorm debris to fill a large roll away dumpster. Thanks to Harry Deuber for spearheading this effort, and thanks to those Fairview residents who gave up a beautiful Saturday afternoon to help clean up their community. Our annual Neighborhood Clean Up Day is Saturday May 10th. Beautification Committee Chairperson Harry Deuber will give an update on this years Clean Up Day planning at our Thursday April 10th Council Meeting. If you are interested in helping with this years Clean Up Day, or the Council's Flower Patrol, give Harry a call at 276-5571, or Claris Syren at 272-6164.
