

**RESOLUTION OF THE MID-HILLSIDE COMMUNITY COUNCIL REGARDING
PROPOSED ORDINANCE, AO-2005-163(S) AMENDING THE SIGN STANDARDS
OF THE ANCHORAGE MUNICIPAL CODE, CHAPTER 2.47**

At the February 16, 2006 MHCC membership meeting (advertised through the MHCC newsletter, the MHCC website and the Anchorage Daily News) the following resolution was approved:

The MHCC opposes the changes to the existing sign standards as proposed in AO 2005-163(S).

Motion passed: 3 in favor, 2 opposed, 0 abstaining.

During the consideration of the above resolution, there was considerable discussion and concern pertaining to the proposed removal of the 10 year limit on allowing nonconforming signs to exist and essentially allowing nonconforming signs to be permanently "grand fathered".

We ask that you act upon this resolution as warranted in the best interests of the MHCC and the community of Anchorage as a whole. Thank you for your consideration.
