SACC  
Cell Tower at McGill St  
Trails/Parks

The ASD New School site committee are not ready to present to our council as of yet...possibly next month

The New Ground Fed EX building to be built at corner of Raspberry and Sand Lake Road is not ready to present..possibly next month

Magdelin Minisrtry needs a computer. If you are able to help here please call Terri @ 277-6642

Carol Comeau has desired to come to share at our council but due to school board meetings being on the same night..hard to do. She is sharing that there will be 6-8 relocatables at the new Dimond High School.

Connie Yoshimura came to our meeting under new business sharing with us the beginning stages of a development at the corner of Sand Lake and Dimond. There are preliminary plans for luxury homes and townhomes. Connie will be back in September to make an official presentation of the preliminary development. Please plan on attending!

Cook Inlet Housing Authority has sent a cd in mail to us reporting on their business. It will be available at the meeting for those who would like to view it.

The Industrial Park subdivision is located at the end of Raspberry Road near the Seafood plant. It is applying for subdividing one tract of land into two for preliminary plat. Questions? call Lounsbury & Associates @ 272-5451.

Many things happening throughout our city and community it is hard to keep up with them all.

Soon school will be back in session and winter upon us!

Many calls were taken regarding the dust from gravelpits last weekend and I spoke with Mr. Rumsy and they have taken action by hiring Wilder construction to assist them with this issue of dust.

The end of August UAA will have their third party review of the gravel pits ready.

Enjoy August and the State Fair and back to school!!!

Please remember to vote in Aug and November!!!
