

South Fork News
For
Hiland Road People

VOLUME 16, ISSUE 2

FEBRUARY 2000

Happy new millennium.....

McKinley seen from Sun Valley Drive, January 2000

South Fork Volunteer Fire Department is looking for volunteers. They offer training every Tuesday, and lots of good camaraderie. And that good feeling of doing something worthwhile. They meet at the firestation on Tuesday evenings. You see the cars there. Show up and find out how it feels to be

REALLY APPRECIATED.

With this issue, I am finally up to date with my mailing list. For some time it has been a round to it item, and I finally found the "round to it"....

For those of you that have not received this publication before: It is an attempt to keep you up to date with what is happening in our valley. If you feel you do not want to receive this on a monthly basis, just call me or email me or fax me and ask to be taken off the list, and it shall be so..

For those of you that have services to offer to other people in the valley, feel free to let me know, and I will publish.

And if you know of a really good service provider and want to share, I will also publish. If you have input that others in the valley can benefit from hearing, I will publish.

I do reserve the right to edit and to not publish items that I find not suitable for publication. I do require that I know who you are, but will honor requests for anonymity.

And finally, I am contemplating making a web page for the valley. If you have computer skills and want to help, please email me at evasapls@arctic.net.

Your community council meets every 1st. Thursday of each month at the Firestation at mi. 4.2.

Your current slate of council officers :

Ron Aksamit, President	694-2820
