# TAKU CAMPBELL COMMUNITY COUNCIL

*September 2003 Newsletter*

The general meeting of Taku Campbell Community Council will be held on September 11th at Taku Elementary School, 701 E. 72nd Avenue, Anchorage, 7:30 PM. We hope to see you there.

## **Message from the TCCC President**

Our last Taku Campbell Community Council meeting occurred May 8, 2003. Your council usually has not convened during June, July and August, and the council followed that practice this Summer. The council's Steering Committee, however, met weekly and bi-weekly during the Summer months.

You will note a change in officers for the council. Two officers resigned in June. In compliance with the council's by-laws a quorum of the Steering Committee appointed Ronald Jordan to the vacant Vice-President office and appointed Carol Holden to the vacant Treasurer office. Ronald will be our council's representative to the Federation of Community Councils, and Carol agreed to continue as the council's liaison with the Anchorage Assembly.

The Anchorage School District has agreed to permit our council to continue its meetings in the Taku Elementary School, 701 E. 72nd Avenue, Anchorage on the second Thursday of each month from September 11, 2003, through May 13, 2004, except for April 8, 2004. Please mark these dates on your calendars.
