NEIGHBORHOOD BEAUTIFICATION

We need your help in cleaning up our neighborhood.

For 35 years the Anchorage Chamber of Commerce has been organizing the city-wide cleanup to rid our city of trash and debris following spring breakup. You can find more information at:

www.anchoragechamber.org/pro_events/cleanup.htm

During clean up week, the Anchorage Regional Landfill off Highland Road, the Central Transfer Station in midtown and the Girdwood Transfer Station are open for free, residential dumping between the following hours:

- Saturday, May 3 8am to 5pm
- Sunday, May 4 12 noon to 5pm
- May 5 - May 10 8am to 5pm

We also need help in cleaning up our creeks.

Saturday, May 17 is Creek Cleanup Day. For more information, go to:

www.anchoragewaterwayscouncil.org or
www.creekcleanup.org

Anyone willing to assist cleaning up the small creek off Regal Mountain Drive in Chugach Mountain Estates, please call Roger Shaw at 337-3949.

NEXT YEAR'S AGENDA

If you have any topics you wish to have covered at our Community Council, please indicate to any of our Officers. Among the topics we anticipate covering are: Neighbor Watch; subdivision covenants; zoning enforcement; road rehabilitation; parks development.

MAY COUNCIL PRESENTATIONS

At our May Council meeting, there will be a presentation from the Anchorage Bear Committee on problems with bear interaction in the Anchorage Bowl and also a presentation on the Cheney Lake park plan.

MAYOR ELECT-MARK BEGICH TRANSITION TEAMS

Mayor-Elect Mark Begich resides in East Anchorage, a fact we won't let him forget as we discuss issues affecting our Council area in the coming years.

Mr. Begich has asked that anyone interested in serving on transition teams or having other comments on a new Municipal Administration to contact him by email at: mayor@begich.com

OFFICER ELECTIONS

Election of officers was held at our April Council meeting. Most of the Executive Board will remain intact, however Roland Shanks has stepped in as the new Vice President. Bill Miernyk and Janice Johnstone have traded positions.

The Executive Board and Council members wish to thank Kathleen Stevenson for her tireless efforts of the past several years, trying to make our part of the Community a more beautiful place to be.

ACCESSORY DWELLING UNITS

At our April meeting the Council went on record with opposition to a proposed ordinance for Accessory Dwelling Units (ADU). Subsequently there has been several amendments to the proposal. At our May meeting we will have information on the changes and a discussion to determine if the Council wishes to change its official position on the matter.
