WHAT TO EXPECT

- Construction will begin in mid-late June.
- The Chester Creek Trail pedestrian tunnel at Arctic Boulevard will be closed for 3-4 weeks beginning in mid-late June. The contractor will provide trail detour signs and a detour route will be available.
- Arctic Boulevard will be closed at some times during construction. The closure location, times, and dates are still being finalized by the contractor.

As more information becomes available, the most up-to-date details, schedules and detour routes will be available on the website: www.chestercreekflooding.com
