

UNIVERSITY AREA COMMUNITY COUNCIL NEWS

Next Meeting—May 4, 2005

The June meeting (June 1, 2005) will be the last meeting until September 6th which will be officer election night.

Bylaws Change as of April 6, 2005:

Each August the Secretary shall summarize all UACC resolutions and provide them to the membership both through snail mail and email.

Presidents Message

We have several presentations this month.

The Anchorage Water and Wastewater Utility will be constructing two sewer projects one on Checkmate between Leslie and Sydnie Kay and the second off of Vance at Castle Heights Park.

I expect you will have read in the ADN about the concern over chip sealing. Paul Bauer will be here to brief us on the 2005 chip seal schedule and the affected areas within the University Community Council.

At this point it is uncertain but Beth Wallan of Animal Control would also like to answer questions and take suggestions and comments. If Ms Wallan can't make it on May 4th I'll schedule her for the June meeting.
