Next Meeting--December 01, 2004

Notice: no meeting in January

Presidents Message

This is the time of year for people to consider what might be needed in our neighborhood in the way of capital projects. We have two strong leaders Bettye Davis and Sharon Cisca. And I understand there is capital budget monies available. If anyone has good ideas bring them up and let me know and I'll see what support I can muster for them.

December promises to be a fairly short meeting. The only thing we have on the program is BJ Morton requesting UACC support for traffic limitation on Lynn Street in the Burlwood subdivision.

In February, the MOA Health and Human Services has promised to give us a talk on mold. How to avoid mold in our houses and how to get rid of it when we've got it.
