Springer Park access and safety improvements

I would like to see more police patrols through the alleys especially in the mornings and nights. The alley I live off has constant drug traffic and there are children who want to play outside but can't due to random people, drug deals, and drug paraphernalia like needles. Also random people just leaving trash everywhere. Yes I've made reports. The police did nothing. Please look at 2301 McKinnley for drug trafficking and nuisance garbage and people.

Tighter regulation of property owned by out of state landlords. Our neighborhood is plagued by out of state absentee landlords who do not care who they rent to, creating a blight of drug infested run down properties.

Good job paring the list down to important items.
