Presentation

Old Business

- Chuck Homan: Anchorage Title 23 is being updated with significant code changes that will increase the cost building homes and home additions in our area. The code requires fire sprinklers in homes located more than 600' from a fire hydrant. Title 23 applies to the entire Municipality of Anchorage even though we are outside of the Building Safety Service Area. With the significant impact to property owners in the area is this a topic that should be addressed by the Chugiak-Eagle River Advisory Board.
