

Old Seward Oceanview Community Council

Resolution Park Dedication 04-2014

Title: Old Seward Oceanview Community Council (OSOVCC) in support of park dedication of all parks within our boundaries.

Whereas our Council believes that citizens should not have to policy wonderment to understand nuances to simple land use,

Whereas our Council intends that land should be used to its intended use as a park

Whereas MOA Home rule Charter dated 9-16-1975 "the term dedicated is intended to indicate formal designation of the land in question for permanent or long term park or recreational purposes".

Whereas the parks within our boundaries of the Community Council should be dedicated as proposed as PR land as listed below,

OSOVCC Park Land for designation:

- Oceanview Bluff Park 13370 Reef Place, established in 1982 from state grants Total property 66 acres.
