

## 2022 Spenard Capital Improvement Program Priorities

The Spenard Community Council Executive Board introduced the priority ranking process for our 2022 Capital Improvement Program at our April 7, 2021, meeting. Members were asked to fill out a survey (link shared at the meeting, by email, and through social media) by April 30th, to be compiled and voted on at our May 5th, 2021 meeting. We had 42 responses from SCC members (and 10 from outside, not included in our results). Priority projects will be approved and moved into the 2022-2027 Capital Improvement Program.
