

Bayshore/Klatt Community Council

Council Meeting - October 19th 2023 - 7:00-9:00

Call to Order & Approve Minutes

- The meeting was called to order at 7:07 p.m.
- Board members Ryan and Bruce were present.
- No Minutes were presented. Will approve minutes on the next meeting.

Tom Mckay update

- The State is looking to incentivize cook inlet oil and gas development.
- They will need a platform off Anchor Point for the development.
- Enstar did a survey and found that 70 percent are in favor of cook inlet gas development Vs. importing.
- Oil prices are increasing due to the middle east conflict and that is good for Alaskas economy.
- We want to see more diversification in our income and state developments.

No JBER, APD, FCC or AFD reports.

Matt Claman report.

- They are working to close the loopholes that allowed for the attack at the library.
- Currently the AG's office is defending the Governor for any ethics complaints. We are looking into this and don't think that it is proper to use the AG's office in this way.
- I voted yes for the Timber/ Carbon credit bill. Not sure if we will be able to get any money because the feds may claim we had no intentions of actually harvesting the timber. We will see.

Kelly Lessens update

- ASD Leadership team discussing the Academy System.
- Question- How will career Academy play into the schedule and what will the other grades do?
- Answer- We are not sure yet and that is why this wont be implemented until next school year.

Paige for Senator Geisel's office

- The Senator is working on Healthcare and energy and the PBM (Pharmacy benefit manager) bill.

Nicolette Dent KFOD park update

- Much discussion was had. While there was debate and some difference of opinions on the overall usefulness of a playground geared towards very young children, the overall conclusion was that Nicolette did a great job in listening to the community members that were active and involved in the process and this is as good as we should expect for the money that was available.
- Bruce suggested possibly using the park land next to the fire station for development for older kids.
- There was a motion to approve Nicolette's Park Resolution. It was Seconded and the subsequent vote was 9 in favor and 1 opposed to the park resolution. Park Resolution APPROVED

Open to audience for comments or questions for the good of the order

- None

Ryan moves to Adjourn, Bruce seconds the motion.

Adjourned 8:34 p.m.
