## Agenda Overview

- ✓ CIP Plan— Annually the Muni asks community councils to provide input to the Capital Improvement Plan—road and park project prioritization. We will discuss and vote on a TCC-developed CIP proposal at this meeting;
- ✓ Airport Master Plan Update;
- ✓ Marston / Foraker RID/LID/WID: *Background:* The 1<sup>st</sup> public mtg was in Sept '05: Informal community meetings with VEI / AWWU / PME were held 4<sup>th</sup> qtr. '05. Upon delay of RID project in early '06, TCC and community then focused on providing input to AWWU on PS10. The RID project is now progressing toward the 65% Design Complete stage. The community can still have a significant positive influence on this project. Come and share your ideas. Here are links to all the info you need to be prepared:
