

Mountain View Community Council

1989 USA Neighborhood of the Year

Resolution

A RESOLUTION SUPPORTING THE FISCAL YEAR 2008 CAPITAL PROJECTS IN THE MOUNTAIN VIEW COMMUNITY COUNCIL AREA AND URGING GOVERNOR PALIN TO MAINTAIN FUNDING FOR THESE PROJECTS AT THE CURRENT PROPOSED LEVEL IN THE CAPITAL BUDGET

Whereas, the Mountain View area of Anchorage is one of the most culturally diverse neighborhoods in Alaska.

Whereas, Mountain View is a place where people of a myriad of social and ethnic backgrounds live together and enrich one another's lives through mutual understanding and friendship.

Whereas, the residents of Mountain View are committed to revitalizing their community and making it the best possible place to live and raise a family.

Whereas, with very little investment, tremendous improvements could be made in Mountain View, making it a model community in Alaska.

Whereas, the basic needs of Mountain View have long been overlooked, and the time has come to make the minimal effort necessary to keep the community on the right track.

Whereas, the capital projects proposed for the Mountain View area are the result of a collaborative effort between the Legislature, the Community Council, the Municipality of Anchorage, and local charities and nonprofits.

Whereas, the capital projects proposed for the Mountain View area focus on such things as schools, fire protection, the library, community centers, and community patrols; and will provide residents with the basic tools they need to enable themselves to protect and improve their own lives and community.

NOW THEREFORE BE IT RESOLVED, that the Mountain View Community Council support the projects specific to Mountain View in the Fiscal Year 2008 Capital Budget, and strongly encourages Governor Sarah Palin to maintain full funding of these projects.

Passed this 11th day of June, 2007 by a unanimous vote of 17-0.
