

SACC *South Addition Community Council*

Membership Meeting Minutes for April 21, 2005

Call to Order: Patrick Flynn called the meeting to order. March meeting minutes unanimously approved.

President's Report: Patrick reported

1. Anchorage's Long Range Transportation Plan (LRTP) is under discussion at a series of meetings. More information is available at: <http://www.muni.org/transplan/2004LRTP.cfm>.
2. The Regulatory Commission of Alaska is considering changes to Chugach Electric's rates. The RCA's web site is: <http://www.state.ak.us/rca/>.
3. UAA social work students are conducting a survey of neighborhood social services. Contact information is available at: <http://socwork.uaa.alaska.edu/#>.

Treasurer reported an account balance of \$1044.87.

Other Reports: There were no reports from the Anchorage Assembly, School District, or the FCC. Our Legislative representatives were busy in chambers and not available to report.

Old Business: Members expressed concern over the effect of the Knik Arm Bridge project on downtown and on the quality of South Addition neighborhoods.

New Business:

1. Sheila Selkregg, project manager, reported on the Municipality's Central Business District Plan, which is still in its early stage. The Plan promotes mixed use and development of residential and commercial interests; improved streetscapes, and new land use regulations for the area. She encouraged members to participate in the public process. sheilaselkregg@alaska.com

2. APD Officer Cindy Stanton reported on APD staffing issues and priorities. New staff will be coming on shortly. They respond to calls as soon as possible, with emergencies having top priority. The non-emergency number to contact the police is 786-8900. Of course, 911 is there for emergencies.

Community Comments: Several members commented that mailed agendas are not getting to them until just before or on the meeting date. The secretary will ask FCC to mail the agendas as early as possible.

Meeting Adjourned. Next meeting is May 19, 2005.
