### Voting Day April 7th

One of the greatest rights we enjoy in this country is to decide who we want to oversee the running of our government. Coming April 7th is the election of Mayor.

Our previous Mayor, Mark Begich is now representing us in the U.S. Senate which has resulted in a free-for-all to fill the seat. There are 15 candidates running for Mayor.

Last month our Council had a Mayoral Debate with Bayshore/Klatt, Sandlake and Taku/Campbell. Twelve candidates showed up. The questions asked were directly related to issues affecting Southwest Anchorage. It was enlightening to hear some of the responses. If the candidates were not aware of our issues when they arrived, they knew what they were before they left.

On the ballot are bonds for road projects, schools, library, parks, public safety, police and fire. If you don't know who you are going to vote for, at least come out and decide if you want all or some of the projects that will cost multiple millions in improvements.

### Council Meeting Schedule for 2008-2009

All meetings begin at 7pm

October 8th	No meeting in December	February 11th	April 8th
November 12th	January 14th	March 18th (See agenda)	May 13th

### TOWN HALL MEETING

On March 21, Senator Lesil McGuire and Representative Craig Johnson held another town hall meeting for their constituents. While the previous meeting was focused on alternative energy sources, this last meeting was about the gas line and the Stimulus money from the Feds.

Many of the gas line questions were sophisticated and it was surprising how many work in the oil industry in our neighborhood. McGuire and Johnson knew to bring in an expert to answer the more complicated questions about contracts and negotiations.

Carol Comeau was present to discuss the need of the Educational part of the Stimulus package and calmed fears it would bloat her administration in the future. She intends to treat the funds as a grant and not as a budget increase.

#### TO BE VERIFIED

Word on the street is that some of the stimulus money is going to Huffman Road from Old Seward to Pintail. We can only hope all remember the folks who live in the area do not wish the Old Seward from O'Malley to Brandon project and Huffman project to happen at the same time, both are our busiest business district streets.

*Your Community Council meets at Ocean View Elementary School in the Library. (See schedule above.)*
