SUBJECT: Purchase of Park Lands at old Alaska Green House Location

At the NECC general membership meeting of April 21, 2005, a presentation on the development of a property identified by the developer as Laurel Acres Subdivision (the old Alaska Green House location) was made.

A motion was made in support of the purchase of a portion of the Green House property for use as park:

NECC April 21, 2005 Motion (2):

The NECC continues to support the HLB purchase of 12 acres of Laurel Acres Subdivision for the purpose of parks and sports fields.

Motion passed; 14 in favor, 1 opposed, 0 abstaining.

An amendment to the motion to include the phrase "provided access issues can be resolved", failed; 4 in favor, 12 against, 0 abstaining. (it is expected the normal parks planning process will resolve access).

We ask that you act upon this motion as warranted in the interests of the NECC and the community of Anchorage as a whole. Thank you for your attention to this matter.

Signed:

Bill Wielechowski, Vice President NECC
