SUBJECT: Flowers for Muldoon Bus Stops

At the NECC general membership meeting of April 21, 2005, the members discussed the possibility of obtaining flower baskets for the various light poles at the People Mover bus stops along Muldoon Road.

A motion was made in support of the flower baskets:

NECC April 21, 2005 Motion (4):

*The NECC supports display of flower baskets to the replace the light globes on the light poles [at the People Mover bus stops].*

Motion passed; 12 in favor, 0 opposed, 1 abstaining.

NOTE: Subsequent to this motion, the NECC was informed that flower orders needed to be in by mid-December. However, the Public Transportation Department already placed an order, so the NECC area is online for flowers this summer. In any case, the NECC wishes to thank the Parks and Recreation Department, and the Public Transportation Department for continuing the flower program.

We ask that you act upon this motion as warranted in the interests of the NECC and the community of Anchorage as a whole. Thank you for your attention to this matter.

Signed:
