TO: Tom Nelson, Director Planning Department
Jerry Weaver, Supervisor Zoning Division
Assemblyman Ken Stout
Assemblyman Paul Bauer

FROM: Bill Wielechowski, Vice President Northeast Community Council, 333-2806

THRU: Dean Syta, Secretary Northeast Community Council, 337-7331

SUBJECT: Pending Revisions to AMC 21.50.160, Standards for Alcoholic Beverages, Conditional Use Permits

At the NECC general membership meeting of April 21, 2005, a presentation on the subject was made by executive board member Bob Roses, who had discussed the matter with planning department staff. The NECC membership was interested in the subject, but uncertain as to the need for revisions to the conditional use permit ordinance. As such, the following motion was made:

NECC April 21, 2005 Motion (5):

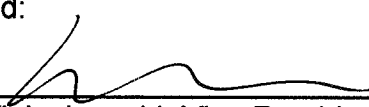

The NECC requests that the MOA Planning and Zoning Department provide a report on the historic use of conditional use permits, types of problems encountered with conditional use permits, and recommendations for changes to the conditional use permit system.

Motion passed; 9 in favor, 1 opposed, 4 abstaining.

We ask that you act upon this motion as warranted in the interests of the NECC and the community of Anchorage as a whole. Thank you for your attention to this matter.

Signed:

This day:

Bill Wielechowski, Vice President NECC
