## Eagle River Central Business District (CBD) and Residential Core Circulation Study

MOA Project No. 772880

The Municipality of Anchorage Traffic Department began a traffic circulation study of the Eagle River central business district and residential core in December 2009. The study team lead by Kittelson & Associates, Inc., is ready to share their *Existing Traffic Conditions Analysis* and seek input from the public and other stakeholders on the *Study Guiding Principles*. The documents will reflect the input we received from you in December. Come to a meeting and help the team by providing important input as the study progresses.

Date: **Thursday, January 28, 2010**  
Time: 6 p.m. to 8 p.m., Team presentation at 6:30 p.m.  
Location: 12001 Business Boulevard, Room 170  
Eagle River, Alaska
