

## Minutes of the Tudor Area Community Council

Jan. 7, 2010

### First Church of God, Tudor and MacInnes

There was no quorum of the officers as of 7:00 PM, so official business could not be transacted. There were three members and two guests present.

#### Speakers:

**Assembly:** Assemblywoman Elvi Gray-Jackson presented her report. Her notes are attached.

- January 12<sup>th</sup> Assembly meeting:
  1. Ordinance to eliminate compensation for Boards and Commissions – for introduction
  2. Ordinance to authorize electronic on-line publication in lieu of newspaper publication notices – public hearing
  3. Ordinance repealing and reenacting the property appraisal code to codify state law exemptions and to coordinate exemption filing deadlines – March 15<sup>th</sup>
  4. Approving 2010 State Legislative Program
- Thursday, January 7<sup>th</sup> – Town Hall Meeting on ID for liquor purchases – 6:00 – 9:00 in Wilda Marston Theatre
- Mayor introducing ordinance to eliminate the I/M Program. In July 2008 when the program was re-instated two issues that were required to occur:
  - Health Department had to work with the State Implementation Plan for air quality to it is retained as a local option in the event the Municipality changes or eliminates the program.
  - By July 2010, the Health and Human Services Commission must provide, review, and report to the Assembly to determined the need to continue the I/M Program as well as other options. This must be done every three years thereafter.

**Guests:** Mr. Andy Clary was present. He is running for Dan Coffey's open seat on the municipal assembly. He spoke briefly and answered questions from attendees. He lives in the vicinity of Lake Otis Parkway and Abbott Road.

#### **No Reports**

#### **No Business**

Attendees departed about 8:00 P.M.

The president asks that we register our e-mail addresses with the Federation of Community Councils' new e-mail list manager at <http://www.communitycouncils.org/>. Use of the new e-mail list manager will cut down on the labor-intensive process of having the office manager enter each e-mail address by hand.
