

**Airport Heights Community Council
Anchorage, Alaska**

Resolution 2010-2

Alexander Street Resolution

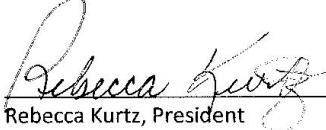

Whereas, the storm drain system beneath Alexander Avenue in the Municipality of Anchorage has failed, and

Whereas, because of a poorly drained roadway many of the residents having standing sewer water and mold in their crawl spaces, and

Whereas, 90% of the costs to remedy these problems is funded by the recently passed Proposition 1 road bond through the Municipality of Anchorage and a request for the remaining 10% has been included in the Alaska State Legislature's capital budget,

Therefore, be it Resolved, that the Airport Heights Community Council of Anchorage, Alaska requests the Governor of Alaska approve the Municipality of Anchorage's Capital Budget line item for **ANCHORAGE – ALEXANDER AVENUE DRAINAGE IMPROVEMENTS (HD 17-32)**

Passed and Approved by the Airport Heights Community Council this 15th day of April, 2010.

Rebecca Kurtz, President
