

# Federation of Community Councils Manager's Report

April 21, 2010

## **Community Council Capital Projects Survey:**

2010 Community Council Survey was distributed to the councils for priority ranking of capital projects in each council's area. The OMB requests that the survey be completed and returned by June 1<sup>st</sup>. The surveys and Community Council responses will be posted when complete on the OMB website at: <http://www.muni.org/departments/budget/pages/default.aspx> .

## **Newsletter Emailing:**

We are adding new names to our newsletter mailing lists through the use of the “**Join Your Community Council Email List**” button on the FCC website ([www.communitycouncils.org](http://www.communitycouncils.org)).

If your council is emailing your own newsletters out, we again ask that you put the FCC email address on your list (so that we can archive a copy here) and that you take a periodic look at the lists here at the office so that you can be sure to add new addresses as they are entered into our database.

## **Please volunteer for NUSA 2011 Anchorage Conference committees:**

We need people to volunteer to be on NUSA organizing committees. No volunteers, no NUSA conference!

## **FCC Contract with the Municipality of Anchorage:**

We received a signed and approved contract from the Clerk's Office in the amount of \$98,000. We have just received a check for \$49,000 for the first and second quarters of the contract period.

**Upcoming Events:** Citywide Cleanup May 1<sup>st</sup> thru 8<sup>th</sup>, Bike to School Day on Monday May 17<sup>th</sup>, Bike to Work Day on May 21<sup>st</sup>

## **Councils using Facebook:**

More of the councils are using Facebook as a way to reach more residents. Tudor Area and Airport Heights recently started Facebook pages. North East is using it to promote development of the Muldoon Park Strip. North Star and Spenard are using it to promote their Spenard Farmers Market.

## **Reporting up to date:**

All State of Alaska grant reports are up to date.

The quarterly 941 report was just mailed to the IRS.

The first quarter report for the MOA grant is being prepared and will be submitted on time by April 30<sup>th</sup>.

**Tons of activity:** We continue to send out thousands of emails and newsletters each month and hold council meetings in our offices.
