9:15PM Committee updates!

Happy Thanksgiving!!!

I want to share a proposal that was presented to me by Pastor Polk of Calvary Church. He is a most wonderful pastor and very community oriented. Their church is becoming high tech so they may reach many small churches in the peninsula with his message from Sunday morning sermons. He has offered our council to go live to the community with their technology! Can you believe this? I was lost for words! Still am. What a gift to the community... details are being worked out in November and December and should ALL go well we possibly can begin in January... Please email us with your opinions on this very important opportunity!

Thank you to ALL of you who have served on committees and who are serving on any committees for our council/neighborhoods. You make all the difference!!!

One more thing I personally want to share... for those of us who went to the "puttin' on the Ritz" fundraiser for our own Chuck Nagel at Dimond High School Oct. 29... INCREDIBLE is a small word describing this event... Powerful... passionate and oh could you feel the love!!! I do not think there was a dry eye in the whole place when Mr. and Mrs. were given a royal entrance! Just an incredible evening! As I shared with many people and they shared with me, "This is community Sherri... yes.. it certainly was and is! The wonders of watching so many familiar faces in our own hood sharing their love and talents to a man who has touched our lives in so many ways... IT WAS SO COOL!!! So wonderful. My hat is off to the two wonderful ladies who devoted their time/energy/resources in engineering this whole affair... Powerful, dynamic.... a night to be remembered forever.... To Mrs. Dency Dakoozian and Mrs. Nancy Hurst... you are two unbelievable women... Thank you!!!

To the hundreds that helped to make this such a special night... a thousand thank you's from all of us out here in the neighborhood! What a night!

Could you feel the love Mr. Nagel???! :)
